—As soon as the weather conditions are  
right it will be a mighty pious idea to  
clean up about your premises, fore and  
aft. The winter's accumulation of rub-

and should be put out of sight without  
delay.

—The Pennsylvania board of health has  
figured out that the expenditure of three  
million dollars in four years in the inter-  
ests of the public health has resulted in a  
saving of \$2,000,000 to the common-  
wealth. No one can object to this kind of  
conservation of the public resources.

—There is every probability that the  
narrow gauge road, from Foxburg to Mt.  
Jewett will be changed to standard gauge  
the coming summer, and the talk is that  
the work will begin the first of April. To  
those living on the line of road this will  
be good news—a consummation devoutly  
to be wished.

—Officials of the State Highway De-  
partment estimate that the number of  
automobile licenses this year will reach a  
total of 40,000. This means a revenue  
from that source of considerably more  
than \$600,000, an amount but little less  
than was expended on road improvement  
last year by the Department.

—At license court at Warren, Monday,  
Judge W. D. Hinckley presided, with  
Associates Siggins and Walkerman. All

F. Jackson, who asked a retail license for  
the New Windsor, were refused.

cord by giving forty-one pounds and six  
ounces of milk. She is a poll Durham

—The Tionesta Athletics will have the  
Oil City Y. M. C. A. basket ball team for  
their opponents on the local floor next  
Friday evening, March 31st. The Oil  
City team is a good one and those who  
enjoy this form of sport will have an op-  
portunity of witnessing another good  
game. Game will begin at 8:00 in order  
that the visitors may go home the same  
evening.

—President Taft on Saturday commuted  
to 18 months the sentence of Ernest W.  
Bowman, assistant cashier of the Citizens  
National Bank of Tionesta, who pleaded  
guilty to making false entries in the  
bank's books and in July, 1910, was sen-  
tenced to five years in the Western Pen-  
itentiary of Pennsylvania. It was repre-  
sented to the President that the convicted  
man had testified for the Government.

—See that pork is well cooked. One  
hog in a hundred is said to be infected  
with trichinosis, which makes the meat  
poison, and of fifteen thousand people  
who have been known to have been  
poisoned in this way about eight hundred  
died. The meat should be cooked so  
thoroughly that no red shall show in it  
anywhere, if it is fresh. Dry salted,  
pickled or smoked pork is almost safe,  
but no pork should be ever eaten raw.

—Cooper A. Bell, aged 60 years, owner  
of the Cochranton Times from 1880 until  
about 15 years ago, died suddenly at  
Cochranton at 10 p. m. Friday. Follow-  
ing his disposal of the newspaper he engaged  
in farming, but on account of ill health  
was compelled to retire from such a  
strenuous life and returned to Cochranton  
to live. Mr. Bell made his home at West  
Hickory for some time, where he was en-  
gaged in prospecting for oil.

—Richard Woodcock, well known to  
many of the residents of Harmony town-  
ship, this county, died suddenly at his  
home in Pleasantville, Wednesday after-  
noon last. He was lying on a couch after  
eating his dinner and his daughter went  
to him to give him some medicine and  
found him dead. Deceased had reached  
the ripe age of 91 years, and is survived  
by eight children, one of whom, Mrs. Ed-  
ward Burt, is a resident of Neilltown, this  
county.

—This being the fog end of March what  
do you think of him? He's an old fash-  
ioned cuss this year, sure enough, and  
there's been trouble in his eye from start  
to finish. A year ago this month there  
was balm in his breath, and Nature be-  
stirred herself and tried to bud and burst,  
but the old gal had to take a back seat for  
April and May whose contortions were  
abominable, but if there's to be a reversing  
of the order this spring, and March shall  
take upon himself all the baser elements  
of spring weather, we shall not balk.

—Laying aside the paper which he had  
just read through, our old friend and  
former neighbor, James H. Hulings, of  
Parsons, Va., picks up a postal card  
and makes this rather startling inquiry:  
"What's the matter? Your paper reads  
like a funeral or morgue directory this  
week. Are you all going to die at once?"  
Not on your dainty, Jim. A whole lot  
of your friends are still left to alternately  
enjoy and grumble at this erratic but  
highly seasonable March weather, and  
should you be here when the trout season  
opens you'd think there were more  
people still alive than ever before in these  
parts.

#### Whose Seeds Do We Sell?

This is a leading question, but it is so  
often asked that we are glad that all  
should know: After years of experi-  
menting we have made selections that  
include only the most desirable varieties  
of Garden Seeds grown. No one seed  
house supplies all of these varieties,  
hence we gather our collection from the  
different growers who are able to furnish  
us just what we want, of seeds that will  
grow. A number of varieties are grown  
in this neighborhood by people who have  
grown seed for us for years. Box seed  
includes everything the best grower  
chooses to send out. Our seeds are only  
the choicest varieties. H. C. MAPES.

### Babe Burned to Death.

By the burning of the dwelling of  
James Tingley, about two miles from  
Crown, Clarion county, Friday morning  
last, his babe, aged less than two weeks,  
was burned to death. Mr. Tingley, who  
is an oil well worker, was away from  
home at the time. The family was  
aroused at an early hour by a stifling  
smoke in the sleeping room where the  
mother lay, and it was discovered that  
the crib in which the baby was lying was  
ablaze, the coverlets having evidently  
been ignited by an overpressure of gas  
coming on during the morning hours.  
The baby's body was rescued from the  
flames, but it had been burnt to a crisp,  
and the other members of the family  
barely escaped with their lives. The  
house with all its contents was consumed.

#### Hickory Township Dwelling Burned.

The commodious and comfortable farm  
home of Selden M. Kiffer, located near  
Beaver creek in Hickory township, was  
totally destroyed by fire at an early hour  
Saturday morning. In the house at the  
time were Mr. and Mrs. Kiffer and their  
daughter, Mrs. Jay Catlin and two chil-  
dren, who had come to make her parents a  
visit. Mrs. Catlin was awakened by the  
dropping of particles of the roof on the  
floor overhead and hastily gave the alarm,  
but the fire had gained such headway that  
all the members of the family could do  
was to save themselves with such wear-  
ing apparel as they could grasp. Every-  
thing in the well furnished house was  
consumed. Mr. Kiffer's loss will reach  
approximately \$2,000, with no insurance.  
R. B. Kiffer also lost household goods to  
the amount of \$200, which he had stored  
temporarily in his father's house. The  
origin of the fire is inexplicable, except  
that it evidently caught on the roof near  
the chimney.

#### Successful Caesarian Operation.

The Derrick of Friday gives this ac-  
count of a rare and remarkable operation  
upon the wife of a former well known  
citizen of this community:

"Born, Thursday, to Mr. and Mrs.  
Robert Braddish, of Rouseville, a son,  
This announcement simple in itself, in-  
fact contains more real interest than  
would at first appear. In medical circles  
yesterday especially was the interest  
keen, as the mother and son represent a  
case new in the history of Venango coun-  
ty. What is known as the Caesarian  
operation was performed at the Oil City  
hospital late Thursday afternoon for the  
first time in its history, and great was the  
rejoicing when the mother and son passed  
safely through the trying ordeal. The  
baby is a fine healthy youngster, de-  
scribed by the delighted nurses as a  
"beauty." The operation was performed  
by Drs. Thomas, Sharpnack and Ward,  
and an account of the remarkable case  
will appear in due season in the medical  
journals. The baby is the only one in  
the happy little family. Mrs. Braddish  
was conveyed to the hospital yesterday  
afternoon and her arrival was immedi-  
ately followed by the operation."

#### A Pleasant Surprise.

Mrs. W. W. Thomas, of Smoko Hill,  
was very pleasantly surprised Monday,  
March 20th, when a number of her rela-  
tives and friends gathered at her home to  
help celebrate her sixty-eighth birthday.  
After each one had done duty at the long  
table, laden with good things to eat, the  
remainder of the day was spent in music  
and song, after which the guests departed,  
all having enjoyed the day and leaving  
with Mrs. Thomas a number of useful  
presents. Those present were as follows:  
Mrs. Anthony, Mrs. Billington, West  
Hickory; Mrs. Killinger, Starbuck; Mrs.  
Nason, Tidoute; Mrs. Ida Flick, Tion-  
esta; Mrs. Lackey and daughter Anna,  
Oidtown; Mrs. James Thomas and sons  
Cyril and Wilbur, Cropp Hill; Mr. and  
Mrs. Robert Mealy, Mr. and Mrs. Charles  
Walter, Mrs. Clara Harger, Mr. and Mrs.  
A. A. Thomas and two children, Mrs.  
Mary Fox and four daughters, Miss Jen-  
nie Thomas, George and John Thomas,  
all of Smoko Hill.

#### Forest County's Population.

Census Director Durand has issued de-  
tailed statistics of the population of Pen-  
sylvania, the total population of the state  
being 7,665,111 as against 6,302,115 ten  
years ago. Forest county had a popula-  
tion in 1900 of 11,039. These figures  
dropped to 9435 in the 1910 census, the  
figures by townships for the years being  
as follows:

Township	1910	1900
Barnett township	820	1298
Green township	748	1150
Harmony township	972	978
Hickory township	1049	895
Howe township	1200	1670
Jenks township	1492	2423
Kingsley township	1695	1169
Tionesta township	655	691
Tionesta borough	805	815

The figures in all parts of the state show  
a striking trend of population from the  
rural sections to the cities and larger  
centers of population. This was expected  
but not to the extent, perhaps, that is  
shown by the official count. It is to be  
hoped that by the next census this ten-  
dency may have taken another turn and  
that the "back to the farm" movement  
may have set in for good.

#### Basket Ball.

The Franklin High School team de-  
feated the Tionesta Athletics here last  
Friday night in a clean and fast game,  
the score being 32 to 15. In the first half  
the visitors rolled up a score of 22 to 7  
through superior, all-round playing. The  
local boys seemed to get their second  
wind in the second half and held the  
Franklinites to a score of 10-8, but could  
not make any gains on them. Franklin  
has a fine bunch of players and needn't  
be ashamed to send them out under its  
banner. This means both good playing  
and gentlemanly conduct. Campbell  
gave the big crowd a chance to cheer by  
shooting two fine field goals the extreme  
length of the floor. The line-up:

Franklin	Tionesta
Johns	RF
Grant	LF
Corrin	C
Park	RG
Woodell	LG
Campbell	BT

Substitution—Craig for Blum in second  
half. Field goals—Lawrence 3, Flick 2,  
Campbell 2, Johns 0, Grant 3, Corrin 3,  
Park 2. Foul goals—Weaver 1 out of 3,  
Park 3 out of 5. Referee—D. C. Hess,  
Franklin. Umpire—R. J. Hopkins, Tion-  
esta. Scribe—Jeff Henry, Timekeep-  
er—A. H. Kelly. Time, two 20 minute  
halves.

### RECENT DEATHS.

**WEINGARD.**  
Funeral services over the remains of  
Charles Weingard, whose sudden death  
on the 21st inst., was recorded in this paper  
last week, were held Friday afternoon at  
the Saints church, Cropp hill, of which  
church the deceased had been a member  
for a number of years. The interment  
was made in Mt. Zion Lutheran cemetery  
German hill, following the services which  
were conducted by Mr. Mervin of En-  
deavor. Mr. Weingard was born in  
Ossenhausen, Hanover, Germany, June  
2, 1849, and came to America with his  
parents, Mr. and Mrs. Frederick Weing-  
ard, in 1854. After a residence of ten  
years in Allegheny city, the family  
moved to German Hill, this county,  
where the deceased grew to manhood and  
in which community he had since re-  
sided. Mr. Weingard was twice married,  
his first wife being Miss Mary Wagner,  
who died several years ago. His second  
marriage was with Mrs. Carl Walters,  
who survives him. The following chil-  
dren by his first marriage also survive:  
Mrs. Laura Burkett of Rockmere, Fran-  
cis, Benjamin, Miles, Delilah and Iva  
Weingard, at home. Brothers surviving,  
Henry and Fred Weingard of German  
Hill. Some time previous to his first  
marriage the deceased purchased a tract  
of land on what is known as Pigeon hill,  
Tionesta township, which tract he cleared  
and improved and made into a prosper-  
ous farm, and which he occupied until his  
death. Mr. Weingard was a conscientious  
Christian, a good neighbor and a most  
worthy citizen.

#### BREWSTER.

John Gilbert Brewster was born near  
Tylersburg, Clarion county, Pa., Febru-  
ary 1, 1856, and died at his home in  
Washington twp., same county, March  
23, 1911. Mr. Brewster's summons came  
suddenly. He had gone to the barn in  
the morning to attend his stock and was  
taken with a violent pain in the back of  
his head. Getting to the house as quickly  
as possible a physician was hastily sum-  
moned, but before he arrived the patient  
had breathed his last, having lived less  
than two hours after being attacked, death  
being doubtless due to neuralgia of the  
heart with which the deceased had been  
somewhat troubled. About 30 years ago  
Mr. Brewster was united in marriage  
with Miss Laura McMichael, who sur-  
vives him. They had no children. Other  
relatives surviving are, Frank and  
George Brewster and Mrs. Albert Camp-  
bell of Tylersburg, William of Leeper,  
James of Elk City, Robert of Penfield,  
Clearfield county, and Mrs. David Wolf  
of Johnstown, Pa. The deceased was a  
son of the late Peter Brewster, well  
known to many of our citizens. Funeral  
services were held at the Washington M.  
E. church Saturday afternoon, followed  
by the interment in the cemetery con-  
ducted with that church. Rev. G. A.  
Garrett of the Tionesta F. M. church  
officiated. The deceased was a man much  
esteemed by all who knew him, a devoted  
husband, a devout and consistent mem-  
ber of the Free Methodist church, and his  
sudden taking away was a severe shock  
to the community in which he had spent  
the whole of his life.

#### DIAMOND.

William Wallace Dimond, a good citi-  
zen and soldier, who had many friends  
in this part of Forest county, died sud-  
denly at his home in Downs, Kansas, on  
Monday, March 27, 1911. He was a son of  
James H. and Harriet (Fleisliel) Dimond  
and was born near President, Venango  
county, September 22, 1839, but when a  
small boy he was brought to Tionesta,  
where he grew to manhood. His father  
was the village blacksmith here for many  
years, his home and shop being located  
on the lot now owned by Charles Ander-  
son on Bridge street. Soon after Presi-  
dent Lincoln's call for troops, he enlisted  
as a member of Co. G, (Tionesta Rangers)  
Eighty-third Pennsylvania Volunteers,  
serving with distinction in every engage-  
ment in which his regiment participated,  
until the battle at Malvern Hill, Virginia,  
where he received a wound in the arm  
which rendered him unfit for further  
service, and he was honorably discharged.  
On January 3, 1869, he was united in  
marriage with Miss Susan Bixby, of  
Hartford, N. Y., who with one adopted  
son survives him. Thirty-nine years ago  
last month they moved to Osborne coun-  
ty, Kansas, where he secured a soldier's  
allotment of valuable farm land, upon  
which they settled and prospered almost  
beyond their fondest expectations. The  
good people of the new home county of  
his adoption, soon realizing his sterling  
honesty and ability honored him by  
electing him to the lucrative office of  
County Treasurer for a period of four  
years. As the years rolled by and the  
ravages of war began to tell upon his  
former robust constitution, they left the  
farm and moved to Downs, where they  
have since resided. He was a lifelong  
member of the Methodist Episcopal  
church, and was a regular attendant at  
divine services in the old M. E. church  
here before many of the present genera-  
tion were born. Besides his wife and  
son, he is survived by two sisters, Mrs.  
Lucy Siverly, of Siverly, Pa., and Mrs.  
Alice Young, of Downs, Kansas. The  
deceased was an uncle of James H. Fones  
of this place, who, when a boy, made his  
home with the former's parents until he  
grew to manhood.
